

# PROSPECTUS ADMISSION 2022-2023

## **Dr. GHAFUOR MEMORIAL MES MAMPAD COLLEGE (AUTONOMOUS)**

Aided & Affiliated to the University of Calicut, Reaccredited by NAAC with A Grade  
Mampad College P.O, 676 542, Malappuram (Dist), Kerala  
Tel: +91 9495290001, +91 9495435505 | web: [www.mesmampadcollege.edu.in](http://www.mesmampadcollege.edu.in)

Established in 1965 by the Eranad Educational Association, and adopted by the Muslim Educational Society in 1969 under the leadership of the late Dr. P.K. Abdul Ghafoor (Founder President MES), the college has completed fifty-seven years of service for the cause of higher education. So far, the college has moulded the minds of thousands of people. It has changed and redrawn the educational map of Malabar and especially of the Eranad region. With eighteen programmes at the undergraduate level, one integrated MSc Biology and eight at the post-graduate level, it is also the first institution from the district accredited by the National Assessment and Accreditation Council, an autonomous body under the University Grants Commission.

Into the fifty-seventh year, the biggest higher education campus in the Malappuram district with a sprawling 27 acres campus has been leading a march of the underprivileged section into education and empowerment. The journey which began for MES Mampad College as a small institution is now crowned with conferring of autonomy. With its multi focus on the different facets of student lives, MES Mampad has risen to be the cream among the colleges of the Malabar region. With its massive presence in the big corollaries of academia, arts, and sports, MES Mampad has time and again emphasised the holistic ecosystem of the teaching-learning it espouses.

“

MES Mampad is made up of a community of very supportive staff and students. Studying here makes you feel as though you're at home

## MES Mampad College A class Apart

The Biggest campus in Malappuram District, the only Autonomous college & the biggest Arts and Science college run by MES in Kerala.

- We nurture Constitutional morality, secular ethos, gender parity, and environmental protection
- We mould social engineers contributing to the demand for local development.

## CORE VALUES

Commitment | Collaboration | Sustainability  
Inclusiveness | Civic Care

# PROGRAMMES

## A. UNDERGRADUATE STUDIES (Choice Based Credit Semester System)

### I) Languages & Humanities

- B.A. English Language and Literature
- B. A. Arabic & Islamic History (Double Main)
- B.A. Economics with Indian History & Political Science
- B.A. History with Economics & Political Science
- B.A. Mass Communication (Self-Financing)

### II.) Science Subjects

- B.Sc. Physics with Mathematics and Computer Applications
- B.Sc. Chemistry with Mathematics and Physics
- B.Sc. Zoology with Botany & Chemistry
- B.Sc. Food Technology with Chemistry & Physics
- B.Sc. Mathematics with Statistics and Physics
- B.Sc. Geology with Chemistry & Remote Sensing (Self Financing)
- B. Voc Food Technology (Self Financing)
- B. Voc Nutrition Science and Dietetics (Self Financing)
- B Voc Tourism and Hospitality Management (Self Financing)
- B Voc Visual Communication (Self Financing)

### III) Commerce

- B. Com with Co - operation
- B. Com with Computer Application

### IV) Management

- BBA- Bachelor of Business Administration

### V) Integrated Programme

- Integrated MSc Biology (Eligibility: +2 Science)

## B. POSTGRADUATE STUDIES

### M.A / M.Sc. / M. Com (Four Semesters)

M. A. Economics
M. A. Arabic
M.A. English (Self Financing)
M.Com
M.Sc. Chemistry
M.Sc. Zoology
M.Sc. Mathematics
M.Sc. Food Science and Technology (Self-financing)

## C. RESEARCH PROGRAMMES

PhD in Arabic
Ph D in Chemistry
Ph D in Mathematics
Ph D in Zoology
Ph D in Commerce

## D. SHORT-TERM PROGRAMMES

### Department: Arabic

Diploma in TAFL (Teaching Arabic as a Foreign Language)
Diploma in Translation: Theory and Practice
Distance Education strategies in Arabic
The Postmodernist Arab Apogee of Literary Enterprise: Theories and Schools
Advance Diploma in Legal documents translation
Advance Diploma: Translation in healthcare and hospitality
Diploma in Professional writing in Arabic
Summer School on Contemporary Arabic literature: Trends, movements and legends
New trends and movements in Modern Arabic Literature
Diploma in Basics of Professional Translation
A Package in Gulf Arabic
Diploma in Arab Media and journalism
Migration in Arabic literature
Indian Culture and Indology
ICT in Arabic
Effective techniques of learning Arabic structure
Basic Arabic Skills
Arabic Grammar for competitive examinations
Certificate Programme in Arabic
Diploma in Functional Arabic

### Department: Economics

Economy and polity for competitive examinations  
Numerical ability and basics of economics for competitive examinations

### Department: History

History for competitive examinations

### Department: Commerce & Management Studies

Certificate course in MS Excel  
Certificate course in Data Analysis using SPSS  
CAT Coaching  
Effective Business communication  
Tourism management  
Income tax practice  
Mind relaxation  
CMA Foundation

**Department: Physics**

- Electrical Maintenance and Servicing of Home Appliances
- Law of attraction: the physics of thought philosophy
- Electronics and advanced technology
- An introduction to physics behind sports
- Recent advantages in nanotechnology
- An Introduction to astrophysics

**Department: Mathematics**

- Programming in Python
- Numerical Skills for All(NUSFA)
- Vector space: A geometrical approach
- Elementary abstract algebra
- Programming in C- Language
- Basics of MS office and Geogebra
- An introduction to inferential statistics

**Department: Chemistry**

- Exploring Everyday Chemistry
- Chemistry for competitive examination
- Basics of cosmetology and beauty therapy
- Computational quantum chemistry calculation using Firefly software
- Qualitative analysis of rubber analysis
- Chemistry- Lab techniques for Higher secondary teachers

**Department: Food Technology**

- Fundamentals of Food and Nutrition
- Technology of fermented beverages
- Food plant lay out and hygiene
- Fruit and vegetable processing

**Department: Mass Communication**

- Digital Photography
- Online news writing
- Art of video editing
- Digital marketing

**Department: Islamic History**

- A Tour to past: Time and space in Islamic History
- Winter school in Islamic studies and history

**Department: English**

Integrated Skills in English Communication

Understanding literary theory

Introduction to academic writing

Basic grammar and punctuation

Academic writing skills

English for competitive examinations

English conversation skills

**Department: Malayalam**

Digital media communication

Text, Performance and Communication

**Department: Hindi**

Verbal communication in Hindi

**Department: IQAC**

Fundamentals of Yoga

**E. SKILL HUB INITIATIVES (PMKUY<sub>3</sub>)**

Graphic Designing

Bakery Technician

## INFRASTRUCTURE

We provide quality infrastructure for the optimal conduct of academic and co-curricular activities.

### State-of-the-art Laboratories

DST FIST supported science departments equipped with Spectrophotometer, Gas Chromatography (GC), High-Pressure Chromatography (HPLC) and PCR.

### Animation Lab

The lab has high-end PC machines for animation & video editing.

### Food Processing Pilot Plant

The plant facilitates hands-on training on the latest food processing techniques.

### Hostels for Boys and Girls

The hostel facility ensures accommodation for 240 girls and 60 boys.

### Well Furnished & Spacious Cafeteria

The cafeteria of the college is situated in an exclusive & spacious building.

### Indoor Stadium

One of the biggest indoor stadiums in the district. It provides four badminton courts, two table tennis courts, and a kabbadi mat.

- Well-equipped seminar halls
- Spacious auditorium for meeting and cultural programmes
- Gymnasium
- Well-maintained playgrounds
- Well-stocked library and reading room
- Smart classrooms
- Students center
- Co-operative store
- Day care center
- Studio Floor
- Grass football ground
- Indoor stadium with shuttle badminton, volleyball & basketball courts

# SUPPLEMENTARY ACTIVITIES

## TREE: Learn green , live green

MES Mampad has been not just promoting efforts at sustainability best practices but also launching genuine measures to reduce on-campus waste and energy consumption. The College helps promote faculty and student-led green proposals and intimate measures to benefit the environment. The green cover ensured on the campus with sustained efforts at tree planting is the most visible sign of that. Rainwater harvesting, biogas generation, solar grid, rare plant conservation project in collaboration with the NGOs around, eco-conservation drives taken up by NSS and NCC units of the college, and the carbon footprint reduction efforts

by the faculties all of these add to strengthen the green status of the campus. The location of the college close to Nilambur which is famed for its teak plantations and proximity to the Western Ghats not merely adds to the environmental passion of the students, also the campus wakes them up to the responsibilities this entails.

## Seminars, workshops & debates

MES Mampad College leaves no stone unturned in letting the students and the faculty access learning in all hues and shades. Educational experiences of varied modes are regular at the college. Seminars, workshops, debates, invited talks, interactions, video lectures, make-in classrooms, educational visits, and project-based learning - all constitute the learning experience with us.

### Sports and Games - body and mind

The buffet of games facilities on offer at the College declares loud that tuning one's body is cardinal for tuning one's mind. Sports and games contribute significantly to not just mess part of the student lives. MES Mampad College has consistently fared well in sports and games and has contributed to national and international players in select areas.

### National Service Scheme & National Cadet Corps

Outreach and Institutional Social Responsibility are at the core of the mission of MES Mampad. All arms of the instructional processes are coached to reach out to spot and support initiatives in the communities around. Building shelter for the needy, houses for the peers,

community farming, training sessions for the school students and teachers, cleaning missions, providing utilities for the hospitals, and supporting the pain and palliative drives. This is a summary of the attempts by the staff and students of MES towards reaching out and supporting the society around.

### Fine Arts Centre

With all-around support of students' interest in fine arts, the College has established a name as an arts-friendly college. The related championships we have won at the Zonal and Inter-zone Arts festival in the inter-college competitions and the active arts scene at the college reflect it. Equally relevant is the way the college uses drama, skits, music, and allied means to aid the educational experience.

## MES MAMPAD SIGNATURES

### Annual MESMAC International Conference

MESMAC International conference was initiated in 2016 as a Golden Jubilee platform in which cross-disciplinary dialogues are made possible, involving thought leaders, academics, and scholars. It was conceived to take the academic endeavors and reach of the institution to the next level. With the four previous editions, the global scale conferences have been established as the leading college conference in South India. Leading thinkers, writers, scientists, statesmen, and community leaders visited the campus to interact with the young generation to lead and empower them. Over the last 6 editions of the conference, we have hosted 100 speakers, presented 1300 papers and published 22 books with ISBN.

### Consultancy and Collaboration

MES Mampad has been reaching out to forge meaningful alliances with industry, Institutes of Higher Education, and International Universities with the goal of making opportunities available to students for building academic and professional networks. These also help the teachers and the students to keep abreast of the best practices around in other campuses and to place themselves in a globalised environment. The multiple collaborations of the College with research bodies like CIFT & KFRI, Universities like University of Sharjah, Leshan Normal University, China, and several

other industrial firms. The Consultancy work done by the faculty of the college too places them on an altogether plane in areas like educational management, ecological sustainability measures, setting up learning spaces, soft skill development, etc.

### Research, Innovation and Development

With full-fledged research departments, the major share of the teaching faculty holding research degrees, and another thirty percent doing research, MES Mampad college ranks high in terms of research activities and potential. Research is promoted at the undergraduate and postgraduate levels. Interactions with renowned international researchers, sessions on research areas preparation of projects, and funding possibilities help educate and motivate the learners. Research journals, research clubs, MoUs with Foreign Universities, and Faculty Exchange Programmes are the milestones of the College.

### Publication Division

The College has a publication division that helps promote research and publication of quality exploration by the faculty. The faculty and the students are given the opportunity to publish their project and research-related works as well as literary and creative pursuits.

### Continuous Professional Development

CPD, Continuous Professional Development is a seminal need for institutional development. Professional development avenues for the teaching and supporting staff should be open and current. Training has to be continuous as the changes in the global educational trends and techniques and evolving career imagery has to be linked to what happens on the campus and in the classroom. There is a system in place for addressing professional development requirements at MES Mampad.

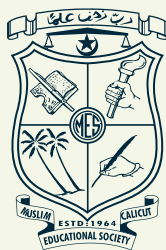

**Dr. P A Fazal Ghafoor**, President, MES  
**Prof. Kadavanad Muhamed**, Gen. Secretary, MES  
**Dr. K A Hashim**, Corporate Manager

**Sri A Moideen Kutty**, Chairman, College Managing Committee  
**Prof. O P Abdurahiman**, Secretary, College Managing Committee  
**Dr. Manzur Ali P P**, Principal
