Inclusive Policy

Inclusive Policy

Education being the basic right of every citizen regardless of his socio-political, economic, religious, regional, racial, gender and linguistic differences, the institution envisages a Policy of Inclusion.

Objectives

- Inclusive policy expects to bring out the best from the students irrespective of their socio-political, economic, religious, regional, racial, gender and linguistic differences, along with their cohesive co-existence.
- The policy also expects to eliminate discriminatory education and to accommodate the needs of children with special abilities.
- It reflects the three-dimensional aspects ie, physical inclusion, curriculum inclusion and social inclusion with an emphasis on reaching those historically marginalized, so that equity and inclusion make a vibrant society.
- Promotes diversity and multi-culturalism in the campus to strengthen our Nationalism and the doctrine of Unity in Diversity.
- Inculcates the feeling of belongingness and identity among the students and empowers them to act as a responsible citizen with in the global village.
- The inclusive policy reflects in the implementation of admission policy of the College which adheres to the guidelines prescribed by the Central and State Governments, University and other regulatory bodies.
