## LEARNER MENTORING POLICY

Learner Mentoring gives direct scaffolding to the students in Higher Education scenario, which strengthen the capacity of students with confidence in the field of his/her focus. MES Mampad College provides supporting Mechanism to the student to meet his/her academic qualities. This facility ensures the Mentees to associate closely with Mentors in the field of study. The personal contact helps them to enrich and develop the students' aspiration, find the strength and the weakness. The review and feedback enable the students to enhance the performance.

- The policy helps the students to achieve the maximum of their potentials.
- The Mentee gets maximum scaffolding from mentors with additional academic support.
- The evaluation process and reviews help both for changing strategies' and improve the quality.
- The learner- mentoring process is closely monitored which helps academic development of the pupil.
