with SEPT and Nilambur United FA. But I was never able to make it past the sub-district level during the early days. So, I was turned away every time I went for the district trials after my 10th," said Jesin, who is now the player to score the most goals in a match at the tournament after coming on as a substitute, beating Maharashtra's Jaswant Singh who had scored thrice against Haryana in 1987.

At 18, the lanky attacker was scouted by the coaches at MES College, Mampad – which boasts one of the best college football teams in the state. But ill fortune once again struck Jesin as he failed to clear a subject in his Class 12. By the time he had cleared the exams, the admissions to the college had closed.

## Kerala's Jesin TK resurrects his football career with five-star display

TNN | Apr 30, 2022, 11:34 AM IST

Jesin TK is everyone's man of the moment after guiding hosts Kerala to the final of the 75th Santosh Trophy by netting five goals, the most by a Kerala player in the history of the national football championship, in the 7-3 win over Karnataka in the semifinal at Manjeri on Friday.

But it wasn't very long ago that the 22-year-old forward from Nilambur was witnessing his footballing career drifting into oblivion. Low grades in SSLC examinations meant Jesin was unable to get admission to a good school and had to take a break from the sport for more than two years.

"I started playing football at the age of nine with SEPT and Nilambur United FA. But I was never able to make it past the sub-district level during the early days. So, I was turned away every time I went for the district trials

after my 10th," said Jesin, who is now the player to score the most goals in a match at the tournament after coming on as a substitute, beating Maharashtra's Jaswant Singh who had scored thrice against Haryana in 1987.

At 18, the lanky attacker was scouted by the coaches at MES College, Mampad – which boasts one of the best college football teams in the state. But ill fortune once again struck Jesin as he failed to clear a subject in his Class 12. By the time he had cleared the exams, the admissions to the college had closed.

"I continued my education at a private institute in Nilambur. I had played as a guest for MES College in a tournament. They were impressed and after a few months, they gave me admission to the college," said Jesin whose father is an auto driver.

The forward has not looked back since.

Impressing at college and university levels, Jesin was told to attend a five-day trials for Kerala United by head coach Bino George. Jesin made his mark for the Malappuram-based club and Bino has once again turned to the youngster to change his side's fortunes in the Santosh Trophy.
